

Brookwood Club Certificate

Welcome to Beaverbrook! As a new homeowner, Hubbard Realty and Brookwood Club are offering you a free one year membership that can be activated anytime within two years of the closing date of your new home. Afterwards you are welcome to renew your membership at the going member rate.

The Brookwood Club offers a full size olympic swimming pool, baby pool, tennis courts and dressing facilities. We have an active swim team, offer lessons and have several social events for adults, and for children, during the summer. The pool is located only a few blocks away, in Old Meadowbrook.

The membership applies only to family members living in the home, is not transferable to a new owner, and is for owners of lots number 1 through 50. Club bylaws will apply to all members.

Please contact me at Hubbard with name and lot number if you would like to take advantage of this offer.

Sincerely,

Jim Baucom
President, Brookwood Club
