STATE OF NORTH CAROLINA) DECLARATION OF SPECIAL COVENANTS,
COUNTY OF FORSYTH) CONDITIONS AND RESTRICTIONS FOR
LAKE LOT OWNERS IN PFAFFTOWN
VILLAGE, SECTION II, PHASE I

KNOW ALL MEN BY THESE PRESENTS that this Declaration of Special Covenants, Conditions and Restrictions, is made and entered into on this 7th day of MARCH, 2001, by Hubbard Realty of Winston-Salem, Inc., Ramey Development Corporation, and Hubert B. Parks, all corporations or residents of Forsyth County, North Carolina (hereinafter referred to as the "Developer").

WHEREAS, the property which will be the subject of this Declaration is property which is described in Plat Book 43 at Pages 20 and 21, Forsyth County Register Of Deeds; and

WHEREAS, Developer is the owner of the real property described in Article One of this Declaration and has created 8 lots which have frontage on what is called Fowler Lake #1, which is also part of Lochurst, Sections I and II (Plat book 36, Pages 160 and 161), and desires to establish responsibility on these lots for their fair share of the upkeep and repairs of said Lake; and

WHEREAS, Developer desires to subject the real property described in Article One to the special covenants, conditions, restrictions, easements, charges and liens hereinafter set forth, each and all of which is, and are, for the benefit of said real property and each owner thereof; and

WHEREAS, Lochurst, Sections I and II, are subject to Covenants, Conditions, and Restrictions recorded in Book 1662, Page 172, Forsyth County Registry, as to this Lake, and these Covenants for Pfafftown Village, Section II, Phase I, are meant to be coordinated with, and understood by, reference to those previous Covenants.

NOW THEREFORE, Developer declares that the real property described in Article One is and shall be held, transferred, sold, conveyed and occupied subject to the terms and provisions of these special covenants, conditions, restrictions, charges and liens (sometimes referred to herein as "covenants and restrictions, or "this Declaration") as hereinafter set forth.

ARTICLE ONE

Property Subject to This Declaration

Section 1. Existing Property. The real property which is, and shall be, held, transferred, sold, conveyed and occupied subject to this Declaration (the "Existing Property") is located in Forsyth County, North Carolina, and is more particularly described as follows:

ARTICLE TWO

Definitions

Section 1. Definitions. The following words, when used in this Declaration or any amended or supplemental declaration, (unless the context shall require otherwise), shall have the following meanings:

- (a) "Assessments" or "Common Charges" shall mean and refer to the assessments and charges levied against the Owners of Lots in The

Properties, as hereinafter defined, pursuant to Article Six of the Declaration for Lochurst, Sections I and II (Book 1662, Page 172), and the word "Assessments" shall be and mean the same thing as "Common Charges".

- (b) "Association" shall mean and refer to the Lochurst Recreational and Maintenance Association, Inc.
- (c) "Board" shall mean and refer to the Board of Directors of Lochurst Recreational and Maintenance Association, Inc.
- (d) "By-Laws" shall mean and refer to the By-Laws of the Association.
- (e) "Common Expenses" shall mean and refer to:
 - (1) Expenses of administration, maintenance, repair and replacement of the Common Properties;
 - (2) Expenses declared Common Expenses by the provisions of this Declaration or the By-Laws;
 - (3) Expenses agreed upon as Common Expenses by the Association and lawfully assessed against Owners of Lots in accordance with the By-Laws or this Declaration; and
 - (4) Any valid charge against the Association or against the Common Properties as a whole.
- (f) "Common Properties" shall mean and refer to those entrance areas, signs and street lights specifically designated as Common Properties by deed from Developer to the Association and as such intended to be devoted to the use and enjoyment of the Owners of the Lots.

ARTICLE THREE

Lakes

Section 1. Lakes. The Existing Property of Developer contains a lake provided by Developer for visual enhancement. The use of the lake shall be as expressly provided in this Declaration. Further, the maintenance of the lake and dam which have been constructed for the purpose of creation of said lake shall be as expressly imposed herein.

Section 2. Maintenance of Lake and Dam. Maintenance of the lake and dam shall be administered and enforced by the Lochurst Recreational and Maintenance Association but shall be the financial responsibility of the Owners on whose Lot(s) the lake and dam are located (hereinafter referred to as "Lake Lot Owners"). Said responsibility shall be on a percentage basis as set out below (hereinafter referred to as "Percentage of Responsibility"). The location of the lake shall be as identified on the plat recorded by Developer for purposes of describing The Properties. A "dam" shall be defined as a physical structure used for the impoundment or diversion of waters and which creates the lake described on the above-referenced plats. Previous lots in Lochurst I and II have been assigned percentage responsibility for Lake upkeep as shown in the Restrictions recorded in Book 1662, Page 172, Forsyth County Registry. Pfafftown Village's lot responsibility for Lake 1 comes out of Developer's 25.0% responsibility after development of Sections I and II of Lochurst.

Section 3. Location and Lot Designation of Lake Number 1. The responsibility for the lake designated as Lake Number 1 shall be as follows:

Lot #	Percentage
78	2.5%
79	5.0%
80	5.0%
81	2.5%
82	2.5%
83	2.5%
84	2.5%
85	2.5%

Developer's responsibility for maintenance becomes 0.0% upon the platting and incorporation into the overall residential development of these Lots. Upon the sale of all of these Lots which comprise part of the lake or dam, Developer shall have no responsibility in the upkeep and repairs thereof.

Section 4. Specific Maintenance Requirements. Each Lake Lot Owner, at his sole cost, shall maintain the area of his Lake Lot which borders on the edge of the impounded water and/or encompasses a part of the dam in a clean, tidy and trim manner at all times after a dwelling is constructed on the Lot which borders a part of the lake or dam. The expense of any action, work, repair or replacement required by the Association or any local, state or federal governmental authority having jurisdiction over lakes and dams which affects the general existence of the elements of the lake, such as, but not to the exclusion of other items, repair, installation or replacement of standpipes, trash guards, spillways, grading, seeding, clearing or other repairs, maintenance and replacement to the dam or other elements of the impounding of water (hereinafter collectively referred to as "Work") shall be a common expense shared by the Lake Lot Owners in accordance with the percentages set forth in Section 3 as the same may be amended, such percentages being based on the approximate frontage of the Lot or tract with the administrative responsibility to monitor the condition of the lake and dam and to determine the need for repair, replacement and maintenance and the Lake Lot Owners shall be charged with the responsibility to report conditions needing attention to the Association.

Section 5. Limitations of Use. The lake shall be used solely for recreational purposes by the Lake Lot Owners adjoining the lake, their guests, invitees, successors and assigns. No person shall:

- (a) Construct any pier or other improvement within or abutting the boundary of any lake;
- (b) Use any boat or other mode of conveyance which contains or utilizes a combustible engine;
- (c) Use or affect the lake in any way which could cause the water level therein to rise above or fall below existing standpipe or spillway levels, whichever exit for excess runoff is in use, except as may be required to comply with law. Developer reserves the right to make such adjustments in water level as necessary in developing the land; and
- (d) Take any act or omission which would tend to adversely affect the structural integrity of any dam.

Section 6. Easement Rights. An easement for the impoundment of water and use of the impounded water of the lake by only the Owners adjoining such lake for recreational purposes is imposed. Such use shall be at the sole risk of the user.

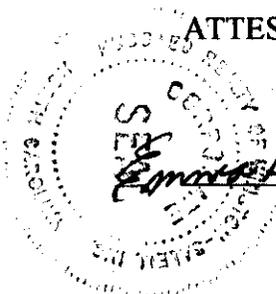

Access to the water shall be over the Lot of the Owner making use thereof. No easement exists for access to or exit from the lake or dam or for use of the ground beyond the water's edge, except over the Lot of the Owner making such use.

Easement(s) are reserved for access to and from the lake and dam over any Lot adjoining the lake or dam for the purpose of getting workmen and equipment to the lake and dam for maintenance, repair and replacement work (as "work" is defined in Section 4 of this Article). Damage caused to any Lot in gaining such access shall be reasonably repaired and the costs thereof shall be a part of the cost of the work to be assessed each Owner adjoining the lake or dam in the percentages set forth and as they may be amended by Developer.

Section 7. Representations of Developer. Developer makes no representations, express or implied, as to any continued water level of any lake, nor does Developer undertake any liability or responsibility for maintaining any such lake levels.

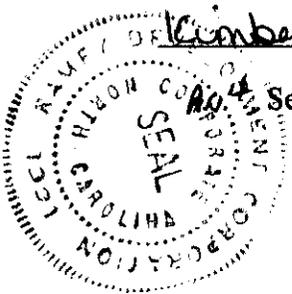

IN WITNESS WHEREOF, the Developers have caused this Special Declaration of Covenants, Conditions and Restrictions to be executed and sealed by their duly authorized officers or by themselves individually, as of the day and year first above written.

6. DRIVEWAYS: All driveways shall be paved or concrete.

10. EASEMENTS: Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat and over the rear ten feet of each lot. Drainage flow shall not be obstructed nor be diverted from drainage or utility easements as designated above or on the recorded plat.

11. SIGNS: No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than one square foot, one sign of not more than five square feet advertising the property for sale or for rent, or signs used by a builder to advertise the property during the construction and sales period.

12. NUISANCES: No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

13. PARKING: The parking on the streets of boats, campers, large trucks or unregistered or unlicensed automobiles for more than twenty-four (24) hours shall not be permitted. In the case of a corner lot, no chain link or other restraining type fencing may be erected nearer the side street than 30 feet.

17. STREETS: All streets in this development have been constructed as public streets, meeting the standards of the North Carolina Department of Transportation (NCDOT) for subdivision streets. The developer has dedicated a right-of-way having a width of at least fifty (50) feet. As of the date of the recording of the map, the streets have been inspected by the District Engineer of the NCDOT and certified as having been planned and constructed according to NCDOT standards, including those relating to grading, roadbed, paving and drainage.

The streets may be accepted by the NCDOT for addition to the State Highway System as State maintained roads upon petition by affected lot owners when a sufficient percentage of the lots are individually owned and when there are a sufficient number of occupied dwellings for each applicable segment of street.

Reference is made to the Regulations of the NCDOT for a more complete discussion of procedures regulating the admission of streets to the State system.

Following such a petition, the streets will be reinspected by the NCDOT to insure that they continue to meet all State standards, including condition of rights-of-way and drainage ditches and swales.

Nothing, including but not limited to, walls, fences, gates, timbers, trees or plants, shall be erected, place or permitted to remain in any portion of the street right-of-way or related sight or drainage easements as shown on the recorded map of this development. No drainage ditch or swale shall be filled, tiled or altered in any way except in accordance with the standards of the NCDOT.

18. ENFORCEMENT: Enforcement shall be by proceedings at law or in equity against any person violating or attempting to violate any covenant either to restrain violation or to recover damages.

19. DEVELOPERS' RIGHT OF MODIFICATION: HUBBARD REALTY OF WINSTON-SALEM, INC., RAMEY DEVELOPMENT CORPORATION, and HUBERT B. PARKS and wife JOELLEN S. PARKS reserve the right to cancel, modify, or change any of the above restrictions by the written consent of HUBBARD REALTY OF WINSTON-SALEM, INC., RAMEY DEVELOPMENT CORPORATION and HUBERT B. PARKS and wife JOELLEN S. PARKS, which written consent shall be duly executed, acknowledged, and recorded in the Office of the Register of Deeds of Forsyth County, North Carolina, and which written consent may be given or withheld within the uncontrolled and sole discretion of HUBBARD REALTY OF WINSTON-SALEM, INC., RAMEY DEVELOPMENT CORPORATION and HUBERT B. PARKS and wife JOELLEN S. PARKS as they may deem best for the general plan or scheme of development.

20. APPLICABLE PERIOD: The foregoing covenants, restrictions and conditions shall remain in full force and effect, unless sooner changed in accordance with paragraph 19 herein, for a term of twenty (20) years from the date this Declaration is recorded, at which time said covenants, restrictions and conditions shall be automatically extended for successive periods of two (2) years each unless by a vote of a majority of the then owners of the lots agreeing to change the said covenants in whole or in part.

It is expressly understood and agreed between HUBBARD REALTY OF WINSTON-SALEM, INC., RAMEY DEVELOPMENT CORPORATION, and HUBERT B. PARKS and wife JOELLEN S. PARKS and all subsequent purchasers of lots in the development known as PFAFFTOWN VILLAGE, SECTION 2, PHASE 1, that all conveyances of a lot or lots in said development are made subject to the foregoing covenants, conditions and restrictions, and that they are for the protection and general welfare of the development and shall be covenants running with the land and binding upon all parties purchasing lots in said development and their heirs, successors, assigns, administrators or executors.

21. ADDITIONAL PROVISIONS: No captions or title in this Declaration of Restrictive Covenants shall be considered in the interpretation of any of the provisions hereof.

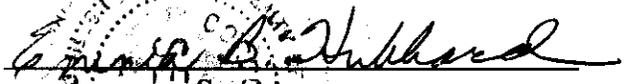

In case of conflict between any of the foregoing provisions and any Zoning Ordinances (or exceptions thereto which may lawfully be made by the Zoning Board of Adjustment) or laws which may be in effect, or which may hereafter be enacted, such Zoning Ordinances or laws shall control.

Invalidation of any one of these covenants, restrictions and conditions by judgment or Court Order shall in no way affect any of the other provisions which shall remain in full force and effect.

IN WITNESS WHEREOF, HUBBARD REALTY OF WINSTON-SALEM, INC., RAMEY DEVELOPMENT CORPORATION, and HUBERT B. PARKS and wife JOELLEN S. PARKS have hereunto set their hands and seals, this the 22nd day of November, 2000.
