45 RESTRICTIVE COVENANTS
WINDSOR PARK, SECTION NO. I
As Amended March 3, 1986

THIS DECLARATION is made this 3rd day of March, 1986 by PENNSTON CORP., a corporation of Forsyth County, North Carolina, hereinafter referred to as "Developer".

W I T N E S S E T H:

WHEREAS, Developer, having originally stated Restrictive Covenants for WINDSOR PARK, SECTION NO. I on October 9, 1985 and recorded in Book 1509, page 0884, in the Office of the Register of Deeds of Forsyth County, North Carolina, wishes to amend said Restrictive Covenants in accordance with the provisions of paragraph 24 of the original document.

NOW, THEREFORE, Developer hereby amends the Restrictive Covenants in the following respect, which shall be in addition to, and not in lieu of, paragraph 4 of said restrictions:

No dwelling shall be erected where the mid-point of the front wall of the structure is set back a distance greater than forty (40) feet beyond the front yard building line, as shown on the recorded plat, without prior written consent of the Developer.

Except as amended hereby, the Restrictive Covenants of October 9, 1985 shall remain unchanged and are incorporated herein by this reference.

IN TESTIMONY WHEREOF, PENNSTON CORP. has caused these presents to be signed by its President, attested by its Secretary, and has caused its common seal to be affixed hereto, this the 3rd day of March, 1986.

RESTRICTIVE COVENANTS
WINDSOR PARK
SECTION NO. I.

72

KNOW ALL MEN BY THESE PRESENTS, that the PENNSTON CORP., a North Carolina Corporation, hereinafter referred to herein as the "DEVELOPER," does hereby covenant and agree to and with all persons, firms and corporations, hereafter acquiring any of the numbered lots shown on the plats of WINDSOR PARK, SECTION I, as recorded in Plat Book 30 at Page 82 in the Office of the Register of Deeds of Forsyth County, North Carolina, that said property is hereby subjected to the following restrictions as to the use thereof, which restrictions shall be and are covenants running with the land binding upon whomsoever shall own said property, to-wit:

1. The real property shall be used for residential purposes only, and no structure shall be erected or allowed to remain on any lot except one detached single family dwelling, not exceeding two stories and an attic (finished or unfinished) in height and a private garage (attached or detached) for not less than 2 nor more than 3 automobiles. There shall be no carports constructed on any lot. No building, including any outbuilding, may be moved from another location and placed on any lot in this subdivision, it being specifically required that any dwelling house or outbuilding built in this subdivision shall be of new construction and constructed on premises, including any outbuildings.
2. The property shall not be subdivided by any one other than the DEVELOPER, except that two adjacent owners may subdivide a lot between them, but only one residence shall be built on the combined original lot and the subdivided portion of any lot.
3. In no event shall any dwelling contain less than :
 - a. 1,800 square feet of heated living area on the main floor if it is a one story dwelling;
 - b. 2,200 square feet of heated living area if it is a split level dwelling with a minimum of 1,600 square feet of heated living area on the two principal levels;
 - c. 2,200 square feet of heated living area if it is a split foyer dwelling with a minimum of 1,600 square feet of heated living area on the upper level;
 - d. 2,200 square feet of heated living area if it is a 1 1/2 or a 2 story dwelling. No finished living area in the basement of a 1 1/2 or a 2 story dwelling will be considered as accountable square footage to meet square footage requirement for a 1 1/2 or a 2 story dwelling as set forth herein.
4. No building shall be located on any lot nearer to the front lot line than 50 feet. It is understood that if there is any conflict between this restrictive covenant and the property setback line shown on the recorded plat that this restrictive covenant shall be controlling, the property setback lines on the recorded plat requirements of the Forsyth County Health Department which can be changed by the Forsyth County Health Department from time to time depending on the circumstances and in their discretion. For the purpose of this covenant, eaves, steps and open porches (without roofs) shall not be considered a part of a building.
5. All detached private garages or other outbuildings shall be erected at least 125 feet from the front property line and may be placed five (5) feet from the side and rear property lines unless the same shall be a frame structure,

in which case the distance shall be at least ten (10) feet. No structure will be built whereby cinder block will be visible from the outside, nor any outside, aboveground, fuel or storage tanks may be used.

6. All electrical service, telephone lines, cable television, natural gas lines, or any other type of utility shall be placed underground, and no outside electrical, telephone, cable television, natural gas lines or other utility lines shall be placed overhead. In addition to the foregoing, no type of antenna shall exceed 15 feet above the top of the roof of the detached single family dwelling on any lot. No ground antenna including, but not limited to, any television dish antenna shall be placed on any lot.

7. All driveways must be either paved with asphalt or cement and must be at least 10 feet in width from the street to the single family dwelling.

8. No fence shall be constructed or otherwise erected on any lot nearer to the front property line than the detached single family dwelling thereon.

9. No billboards or signs shall be erected or allowed to remain on any lot except signs advertising the sale of any dwelling and such sign shall not exceed three (3) feet in length and two (2) feet in width.

10. For purposes of this provision, commencement of construction means when the grading or excavation for the footing or slab for any detached single family dwelling is commenced. Once construction is commenced, work thereon must be pursued diligently and the structure shall be completed within 12 months from the date construction commenced as herein defined. Included shall be the completion of all exterior work including but not limited to walks, driveways, and landscaping.

11. No lot shall be used for business, manufacturing or commercial purposes, No animals, livestock, or poultry of any kind can be raised, bred, or kept on any lot for any purpose except that dogs, cats, and other household pets may be kept, provided that said pets are not kept, bred, or maintained for any commercial purpose. There shall be no more than two dogs and cats per family, and said pets shall not be allowed to roam from lot to lot and shall be confined upon the lot of their owner. No lot shall be used in whole or in part for the dumping or storage of rubbish of any character whatsoever, nor for the storage of any property or thing that will cause such lot to appear in an unclean or untidy condition, or that will be obnoxious to the eye, nor shall any substance, thing, or material be kept on any lot which will emit foul or obnoxious odors, or that will cause any noise that might disturb the peace, quiet, comfort, or serenity of the occupants of the surrounding property.

12. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence, temporarily or permanently. In addition to the foregoing, no junk automobiles, trucks, tractors, or any other type of vehicle shall be permitted on any lot or street.

13. It is further prohibited that no motorcycle, moped, go-cart or any type of vehicle will be allowed to be operated in any area of this subdivision except on the lot of the owner thereof and on any public streets.

14. Each and every owner of property within this subdivision shall be required to contract with some garbage pick-up for removal of garbage at least once a week until such time as some governmental garbage pick-up system becomes available.

15. No downspouts shall be constructed or piped away from any dwelling on any lot in this subdivision so as to empty on any adjoining lot of the subdivision.

16. No vegetable garden may be established on any lot nearer to the front property line than the rear wall of the detached single family dwelling thereon. In the case of a corner lot, no vegetable garden shall be established within fifty (50) feet of the side street property line.

17. No bare block construction shall be permitted to show above the ground level of any house.

18. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. Drainage flow shall not be obstructed nor be diverted from drainage or utility easements as designated above or on the recorded plat.

19. The parking on the streets of boats and campers or unregistered or unlicensed automobiles for more than twenty-four (24) hours shall not be permitted.

20. All streets in this development have been constructed as public streets, meeting the standards of the North Carolina Department of Transportation (NCDOT) for subdivision streets. The developer has dedicated a right-of-way, as shown on the recorded map referred to above, having a width of at least fifty (50) feet. As of the date of the recording of this map, the streets have been inspected by the District Engineer of the NCDOT map. The streets have been constructed in accordance with the NCDOT standards, including those relating to grading, roadbed, paving, and drainage.

The streets may be accepted by the NCDOT for addition to the State Highway System as state maintained roads upon petition by affected lot owners when a sufficient percentage (at this time 20%) of the lots are individually owned and when there are a sufficient number of occupied dwellings for each applicable segment of street (at this time, two occupied dwellings per one-tenth mile street, with a minimum of four occupied dwellings). Reference is made to the Regulations of the NCDOT for a more complete discussion of procedure regulating the admission of streets to the state system.

Following such a petition, the streets will be reinspected by the NCDOT to insure that they continue to meet all state standards, including condition of right-of-way and drainage ditches and swales, failing which, the streets may not be admitted to the state system.

Nothing, including but not limited to, walls, fences, gates, timbers, trees, or plants, shall be erected, placed, or permitted to remain in any portion of the street right-of-way or related sight or drainage easements as shown on the recorded map of this development. No drainage ditch or swale shall be filled, tiled, or altered in any way except in accordance with the standards of NCDOT.

21. These restrictions are made subject to a right-of-way to Carolina Telephone Company and Duke Power Company to enter on said property in order to maintain the service lines at its own expense.

22. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain or to recover damages. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of said other provisions which shall remain in full force and effect.

23. The above restrictions and conditions are covenants running with the land, and shall be binding upon the owners of the above described property for a period of thirty (30) years from the date of the recording of these restrictions, unless changed in accordance with the following paragraph and at the end of said thirty (30) years, said restrictions and conditions shall automatically expire, unless extended as set out below.

24. Any restriction, covenant or condition hereinabove set forth may be extended, removed, modified or changed by securing the written consent of the DEVELOPER, which written consent shall be duly executed, acknowledged and recorded in the Office of the Register of Deeds of Forsyth County, North Carolina, and which written consent may be given or withheld within the uncontrolled and sole discretion of the DEVELOPER. The DEVELOPER may convey its right to move, modify or change any restriction, conditions, or covenant of this instrument to any person, firm or corporation by instrument in writing duly recorded in the Office of the Register of Deeds of Forsyth County, North Carolina.

IN TESTIMONY WHEREOF, PENNSTON CORP.
has caused these presents to be signed by its President, attested
by its Secretary and has caused its common seal to be affixed
